Woy Woy Rugby Club Celebrating 50 Season's

We're excited to share that Woy Woy Rugby Club recently marked an incredible milestone - 50 seasons of rugby by hosting their annual sports luncheon. Life Medical Imaging is proud to be sponsor of such a fantastic event! Our very own Chief Radiographer, Paul Gooley had the honor of being the MC, keeping guests entertained throughout the afternoon. It was a fantastic day of celebration, especially with guest speaker Kerry O'Keefe who brought his unique flair to the event.
