LIFE MEDICAL IMAGING
CENTRAL COAST

ENEWSLETTER

Life Medical Imaging Turns 6!

Six years ago, Life Medical Imaging opened with a clear goal — to provide high-quality, patient-centred imaging for our Central Coast community.

Since then, we've proudly supported thousands of patients across four clinics, working closely with local clinicians to deliver the best in diagnostic care.

A heartfelt thank you to our dedicated team, our referrers and patients, and the wider community for your continued trust and support. Here's to many more years of excellence in medical imaging! ❤️

Low Dose CT

Our low dose CT scans deliver high-quality diagnostic images with reduced radiation exposure. From head and chest scans to musculoskeletal studies, our CT service is available at our Bateau Bay, Erina and Umina locations. With prompt

turnaround times and bulk billing on most studies, we make advanced imaging accessible for the Central Coast.

CT Services

CPD Cardiac Lunch

Earlier this month we hosted a CPD education lunch at Bay Village Medical Centre with Dr Nicklas Howden, our Director and Head of Cardiac Imaging. The session focused on investigations for low–intermediate risk chest pain, with great engagement from local GPs and health professionals. Sessions like this foster collaboration, strengthen local knowledge, and ultimately support better outcomes for patients across the Central Coast.

Interested in hosting an educational session at your practice? [Contact our team](#) to arrange a catered, in-practice presentation tailored to your needs.

Practice Spotlight: Killarney Vale

Our Killarney Vale clinic provides convenient access to ultrasound and digital X-ray services, with accessible, onsite parking and a welcoming local team. Open Monday to Friday, our Killarney Vale practice offers the same high standard of care you'll find across all Life Medical Imaging locations.

We welcome all referrers, and bookings can be made by calling [02 4326 7000](tel:0243267000)

Life Medical Imaging Half Marathon

We're proud to sponsor the Life Medical Imaging Half Marathon as part of the Central Coast Running Festival.

This event brings together runners, families, and supporters from across the Coast to celebrate health, fitness, and community spirit.

Whether you're taking on the 21.1km challenge, enjoying a shorter distance, or cheering from the sidelines, we look forward to being part of this special community event.
